### 22nd Annual Meeting

*by Darick Eisenbraun*

#### **Inside:**

- Unclaimed Capital Credits ..... 2
- Tips for a Safe Bus Ride ..... 8

With school starting soon please watch out for our kids!

The 22nd Annual meeting of High Plains Power, Inc. was a great success, thanks to the efforts of our employees and the participation of our members. With the 2020 annual meeting postponed and with COVID-19 restrictions still enforce in March, the Board of Directors took action to move the meeting to July 17th in conjunction with the Riverton Rendezvous Day's.

During the 22nd Annual meeting, we took care of the business for the fiscal years of 2020 and 2021. There were six director districts up for election, three from the 2020 annual meeting and three additional for 2021. There were four incumbents who ran unopposed and were re-elected to continue to serve the membership. The incumbents were as follows: Lee Shafer- District 2, Matt Brown- District 7, Jim Miller- District 8, and Todd Heward- District 9. In the two contested elections, one saw incumbent Bret Gardner win re-election over Karl Florence in District-6 and the other saw John Paul

Stoll win election over Matthew Thoman in District- 5 to replace long time board member Hearley Dockham who passed away unexpectedly earlier this year.

Following the voting for the director positions, the members heard reports from myself and Board President- Mark Park about the state of High Plains and what to expect into the future, our financial report, from Treasurer Jim Miller. An update from our power supplier Tri-State Generation and Transmission CEO- Duane Highley about the future of power supply. And finally, a legislative update from Wyoming Rural Electric Association Executive Director- Shawn Taylor. I want to thank both Duane and Shawn for taking the time to come and talk about the work their organizations are doing for the members of High Plains Power.

The meeting saw 138 members register in-person and another 185 vote via proxy. We continued on page 7

# UNCLAIMED CAPITAL CREDIT CHECKS

The following is a list of names that have refund checks issued December 2020 but were returned to High Plains Power due to an insufficient mailing address or remain uncashed.

look forward to seeing you all again next year! Stay tuned to next month's magazine, which will have pictures from the Annual meeting and details about the 23rd Annual meeting of High Plains Power, Inc.

## **\*\*Tips for a Safe Bus Ride\*\***

School buses are the safest way for students to travel. Nearly two-thirds of school bus-related fatalities of school-age children occur outside of the school bus. Children need to do their part to stay safe both in and around school buses. The American School Bus Council offers the following tips:

### **At the Bus Stop:**

- Arrive early at the bus stop—at least five minutes before the bus is scheduled to arrive
- Stand 6 feet (or 3 giant steps) away from the curb while waiting for the bus
- Supervise young children

### **Around the Bus**

- Cross in front of the bus—at least 10 feet (or 5 giant steps) – and make eye contact with the driver before crossing
- Never walk behind the bus
- If you drop something near the bus, do not pick it up; tell the bus driver instead

### **Getting On/Off the Bus**

- Wait until the bus has stopped and the door opens before approaching the bus or standing up on the bus
- Use the handrail
- Secure any loose or hanging objects like straps on a backpack or drawstrings on a hood

### **Behavior on the Bus:**

- Buckle up if seat belts are available
- Stay in your seat keeping head, arms and papers inside the bus, and talk quietly
- Keep aisles clear of books and bags
