With school starting soon please watch out for our kids!

It was great to see you all again this year at the 23rd Annual Meeting of the High Plains Power Membership.

We started the weekend off with a pre-registration event on main street during the Rocky Mountain Rebels Car Show, where we handed out swag-bags with merchandise from HPP and Tri-State, HPP hard hats for the kids, and meal vouchers for members that could be used at 5 different participating locations in Riverton. On Saturday morning registration resumed at 8am with our business meeting beginning at 9.

During the meeting, we took care of the business of the membership for the 2021 fiscal year. Members heard reports from Board President- Jim Miller and I and the financial report from Board Treasurer- Matt Brown. A report was given from our power supplier, Tri-State Generation and Transmission CEO- Duane Highley about the future of Tri-State, their power supply transition, and took questions from the audience

about those topics. We also received a report from Wyoming Rural Electric Association's General Manager- Shawn Taylor about the current legislative climate in the state of Wyoming and two bills that could be troublesome to the rural electric community. Beyond those reports the membership voted on 3 director positions that will help shape the future of HPP and continue to lead this great organization. Those directors were incumbents Jeff Milton- District 3 and Jesse Hankins- District 4 along with newcomer Andrea Dockery- District 1.

We also recognized the service of the dedicated employees of HPP and Board members who were celebrating work anniversaries.

- Employees:
- 5 years- Sandy Watkins, Zach Sanders, Bert Zavala
 - 10 years- Brian Heiner
 - 20 years- Kevin Gordon, Janna Finley
 - 30 years- Doug Cooley, Ted Jones

Board of Directors:
 12 years- Beckie Darnell
 39 years- Matt Brown

I am beyond humbled to work for and with these great people. We will continue to try to find ways to improve our service and better meet the needs of you, our members-owners. We hope to see you all in 2023 at the 24th Annual Meeting of the High Plains Power membership!

****Tips for a Safe Bus Ride****

School buses are the safest way for students to travel. Nearly two-thirds of school bus-related fatalities of school-age children occur outside of the school bus. Children need to do their part to stay safe both in and around school buses. The American School Bus Council offers the following tips:

At the Bus Stop:

- Arrive early at the bus stop—at least five minutes before the bus is scheduled to arrive
- Stand 6 feet (or 3 giant steps) away from the curb while waiting for the bus
- Supervise young children

Around the Bus

- Cross in front of the bus—at least 10 feet (or 5 giant steps) – and make eye contact with the driver before crossing
- Never walk behind the bus
- If you drop something near the bus, do not pick it up; tell the bus driver instead

Getting On/Off the Bus

- Wait until the bus has stopped and the door opens before approaching the bus or standing up on the bus
- Use the handrail
- Secure any loose or hanging objects like straps on a backpack or drawstrings on a hood

Behavior on the Bus:

- Buckle up if seat belts are available
- Stay in your seat keeping head, arms and papers inside the bus, and talk quietly
- Keep aisles clear of books and bags

THANK YOU!

To those of you that registered and voted at the Annual Meeting: THANK YOU! When you receive your bill for August, please note that those that registered will have a line item on their bill for a \$10 Energy Credit for Annual Meeting. Thanks again!
